### 1.3 Names of identification service(s) provided

"Creating and issuing electronic identity means for natural persons ('**Millennium ID service – natural**') as the full service name or '**Millennium ID**' as the short service name.

## 1.4 Current confirmation status

Bank Millennium S.A. is an identification service provider (abbreviated as ISP) providing electronic identification means (abbreviated as EIM) towards other service providers, which, in turn, use these EIM for providing their services. Electronic identification means are created and issued by ISP only for the bank clients of Millennium.

Bank Millennium S.A. as ISP possesses already a confirmation that EIM created and issued by Bank Millennium S.A. as ISP are compliant with Art. 24.1 of eIDAS Regulation<sup>2</sup>. The last full conformity assessment according to Article 20.1 of the eIDAS Regulation was accomplished with issuing the conformity certificate TelekomSecurity.031.0311.04.2024 as of 17.04.2024. For the current certification procedure, Krajowa Izba Rozliczeniowa S.A. as applicant for the present certification procedure applied for the full re-assessment serving prolonging of this confirmation according to Art. 20.1 of eIDAS<sup>3</sup> (24 months period).

According to Art. 20.1 of the eIDAS Regulation, a qualified trust service provider shall be audited at its own expense at least every 24 months by a conformity assessment body. This requirement is analogously applicable to identity service providers, if their identification service(s) shall be used for the provision of qualified trust services by qualified trust service providers as third parties.

Since a compliance with Art. 24.1a(c) of the eIDAS Regulation presupposes also compliance with the following Articles of the eIDAS Regulation: 15, 20.1, 24.2 and IMPLEMENTING REGULATION (EU) 2015-1502 pursuant to Article 8.3 shall be used for the determination of assurance levels for electronic identification means, the present conformity assessment procedure also includes the conformance assessment with all respective requirements.

The present conformity assessment of the ISP in accordance with Article 20.1 of the eIDAS Regulation represents a full re-assessment serving prolonging the confirmation that EIM created and issued by them are compliant with Art. 24.1a(c) of eIDAS Regulation.

<sup>2</sup> REGULATION (EU) No 910/2014 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 23 July 2014 on electronic identification and trust services for electronic transactions in the internal market and repealing Directive 1999/93/EC

<sup>3</sup> REGULATION (EU) No 910/2014 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 23 July 2014 on electronic identification and trust services for electronic transactions in the internal market and repealing Directive 1999/93/EC amended by the REGULATION (EU) 2024/1183 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of 11 April 2024 amending Regulation (EU) No 910/2014 as regards establishing the European Digital Identity Framework

The present conformity assessment addresses the current ISP Service Provision Practice Statement (SPPS), version '1.30' as of 14.11.2025 (not publicly available) and 'Terms and Conditions / EIM-subscriber Information' ('Regulamin Świadczenia Usługi Millennium ID w Banku Millennium S.A.' as of 01.12.2022) available on <https://www.bankmillennium.pl/delegate/managedfiles/1711/latest>.

The special name for the EIM service provided by the ISP is called '**Millennium ID**'. Detailed information concerning the Millennium ID service, including information about the manner of concluding agreements and the usage of the service, is made available to all interested parties at the ISP website at the following URL address:

<https://www.bankmillennium.pl/en/electronic-banking/millennet-for-individuals-business/millennium-id>.

Subscribers are guided step by step through this on-line service by the flow of the respective background process.

## 2. ISP's Identification Services in Scope of the Conformity Assessment

Bank Millennium S.A. operates and provides the following identification service(s) in compliance with Art. 24.1a(c) of the eIDAS Regulation:

- "Creating and issuing electronic identity means for natural persons (**'Millennium ID service – natural'**)".

This service enables creation and issuance of electronic identity means used for secondary (transactional) identification of natural persons.

Electronic identity means (EIM) used for secondary (transactional) identification of natural persons are created based on primary identification means and are issued only for the own bank clients. Millennium issues permanent, i.e. not one-time electronic identity means to subscribers.

Bank Millennium S.A. operates and provides the following eIDAS-related additional services:

- Registration (enrolment) the own bank clients as service subscribers (request submission, request verification, identification).  
This enrolment procedure includes, amongst others, the identification of the applicant as a natural person based on the primary identification means (personal ID document issued by a governmental authority or based on mDowód included in the mObywatel application) presented by the applicant for identification.

- Login of subscribers into the service platform (subscriber's identification and authentication),
- Operation of a web portal providing information about these services (<https://www.bankmillennium.pl/en/electronic-banking/millenet-for-individuals-business/millennium-id>), including further subscriber information and the legal basis.
- Support contact for customers: <https://www.bankmillennium.pl> or under +48 22 598 40 40.

In implementing the identification service in compliance with Art. 24.1a(c) of the eIDAS Regulation, Bank Millennium S.A. does not draw on the services of any externally visible delegated third parties.

A detailed information about the identification procedures and other customer related questions can be directly requested from the ISP.

### 3. Certification Programme

The present conformity assessment procedure has been performed in accordance with the Certification Programme 031 'eIDAS TSP (accredited area) of the Certification Body of Deutsche Telekom Security GmbH (Certification Programme 031)', see <https://www.telekom-zert.com/en/service-area/>.

The Certification Body of Telekom Security GmbH is a conformity assessment body as provided by Article 3 paragraph 18 of the eIDAS. The Certification Body is accredited by the German Accreditation Authority (DAkkS; <http://www.dakks.de/en>, member of EA) for performing conformity assessment (audit) according to eIDAS requirements and according to ETSI EN 319 4xx/5xx; accreditation ID: D-ZE-21631-01 (former Certification Body of T-Systems International GmbH, former DAkkS Registration No.: D-ZE-12025-01).

### 4. Assessment of the ISP Operation in Compliance with Art. 24.1a(c) of the eIDAS Regulation

The current Service Provision Practice Statement (version 1.30 as of 14.11.2025) of the identification service provider "Bank Millennium S.A." is compliant with Article 24.1a(c) of the eIDAS Regulation.

This Service Provision Statement of the identification service provider „Bank Millennium S.A.“ is implemented accordingly in practice.
